

SBJ Middle East Trading and Maintenance W.L.L.

- Food grade Hygienic Sanitary SS316L Pipes, fittings and accessories.
- SS Grade Tanks and fittings.
- All kind of Conveyors, Components and accessories for Transfer, Loading and Unloading of various materials.
- Hygienic Food grade Pumps for Liquid, High viscous, Semi solid, Solid material discharging.
- Filtration Systems.
- Engineering, Design, Analysis and Technical Solutions.
- Gear Motors.
- Engineering Tools. Instruments and control panels.
- Engineering Services and Turnkey Projects

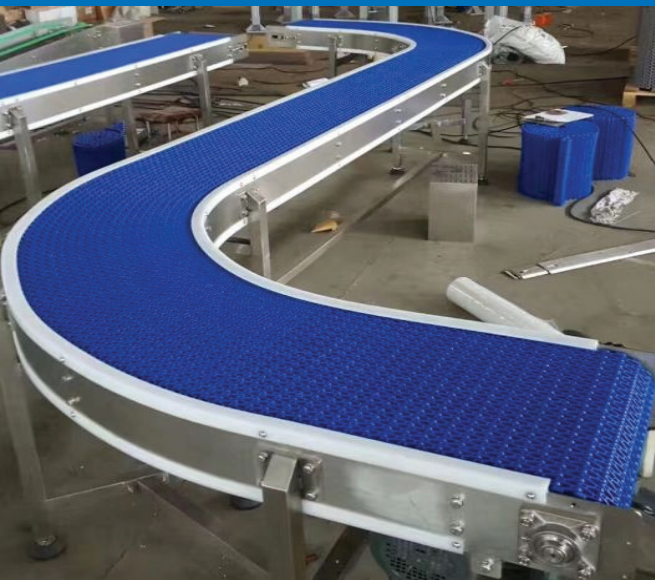

Food Grade Dairy Tubes, Valves and Fittings

European Standard SS316L Polished Dairy Tubes. SS316L Unions – SMS, DIN, RJT, Imperial, TC Clamps. S316L Hygienic Elbows, Tees, Reducers, Sight-Glasses, Spray Balls, Tank Bottom Aseptic Valves, Pipe Holders.

Loading & Unloading Conveyors

Telescopic Boom Conveyors For (Un)Loading Bulk Material Loading Conveyors Van Loaders And Mezzanine Floor Conveyors Mobile Loading/ Unloading Conveyors Autoloaders and Truck Lift For Cartons, Bags, Sacks and Packages etc.

Food Grade Dairy Tubes, Valves, Hoses and Fittings

Hygienic Process Plants, Equipment Design. Hi-Precision Custom Components Fabrication. Pure Screen SS316L Hygienic Filters, Flow Pates. Perforated Screen Filters, Dual Filters, Strainers. Jacketed Pipe Work, Special Bends, Tees.

Flexible Hoses with Hygienic Stainless Steel Fittings

High Quality Food Grade Hygienic Flexible Hoses. Double Sleeve Hoses, High Pressure SS316L Fittings. Silicon, EPDM, Nitrile & PTFE Hoses, Heated Hoses.

Lubricants and Greases:

Greases and Lubricants for Heavy load, High speed low and high temperatures. Food grade with Halal, anti-allergic and NSF certified greases and lubricants. High performance grease in Dusty, Dirty, Abrasive and Damp areas.

Materials Handling Systems & Conveyors

Innovative Solutions for Warehousing & Distribution Heavy Duty Pallet Handling Conveyor System. Integrated, Automated Conveying System, Line shaft, Motorised Roller, Gravity, Belt, Pallet, high speed Belt under Roller Conveyors and Integrated Flexible Conveyors systems.

Modular, Slat chain Conveyors & Components

Conveyor Slat Chains –Straight Running, Side-Flexing, Multiplex & Magnetic Side Flex Chain. Crate Conveyor Chains, Gripper Chains, Chains with Rubber Pads and Snap-On Top

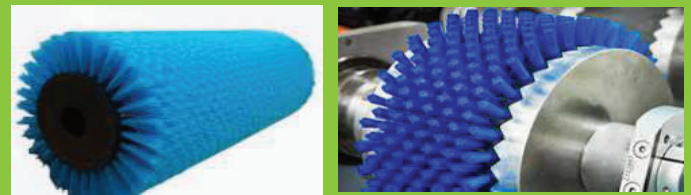

Industrial Brushes

Industrial brushes for food industries, Machineries, Equipment and many purpose

Hygienic Equipment and accessories

Hygienic SS Jacketed Tanks with agitators, Stand alone filters and online filters for food, Pharma and cosmetic industries

CONVEYORS & EQUIPMENT DIVISION:

- Telescopic Boom Loading / Unloading Conveyors.
- Powered Spiral Curves, Spiral Lifts & Declines.
- Conveyors for Materials Handling.
- Modular Belt & Slat Chain Conveyor Components.

PROCESS PLANT & ACCESSORIES DIVISION:

- Hygienic Process Plant & SS Fabricated Components.
- Polished SS316 Dairy Tubes, Valves, Fittings, Filters.
- Innovative, Patented Flexible Connectors & Spigots.
- High Performance Lubricants.

ENGINEERING SERVICES & TURNKEY PROJECTS DIVISION:

Integrated Conveyor Systems, Airport Baggage Handling Systems Custom Designed Conveyors, Retrofit Conveyors, Sorters & Diverters, Spirals Conveyors for bottles, cans, sacks, cartons, tea powder, salt, sugar, chocolate & more.. Dairy Pipeline, Steam lines, Chilled Water & Hot Water Lines, Jacketed Pipelines Stainless Steel Tanks & Insulation, Filtration Systems, HDPE Pipelines, Cladding Works Structural Design & Installation of Process Platforms, SS316 Hoist Beams, SS Jib Cranes Hygienic Process Equipment, SS Safety Cages, SS Pipe Support Systems, Tipping Stations.

OTHER ENGINEERING SERVICES:

GEAR MOTORS

HYGIENIC FILTERS

CONTROL PANELS

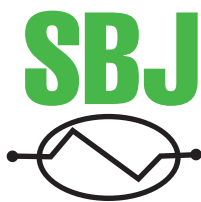

HYGIENIC PUMPS

COMPANY PROFILE

SBJ MIDDLE EAST TRADING is a professionally managed company, well established with a diversified portfolio of premium products and innovative technologies serving a large, loyal customer in the world. Our mission is to provide innovative, advanced technologies to the customers from Europe, UK, USA and other countries around the globe to enhance the performance of local industries and increase their efficiency, productivity and profitability. SBJ Engineering Traders has a team of well qualified & experienced engineers, technicians & staff to ensure prompt, quality service to customers.
